

MEERA JOSHI

meera.joshi.demo@example.com | +91 90000 00000 | github.com/meera-demo | linkedin.com/in/meera-demo

EDUCATION

Sahyadri Institute of Technology, Pune
B.Tech in Information Technology, 2023 - 2027
CGPA: 8.4/10

TECHNICAL SKILLS

Python, Java, SQL, React, Node.js, MongoDB, Git, Docker, REST APIs

ACHIEVEMENTS

- Winner, Smart Campus Hackathon 2025 (120 teams)
- 250+ problems solved on LeetCode
- Core team member, college coding club

PROJECTS

BusBuddy | React, Node.js, MongoDB | github.com/meera-demo/busbuddy

- Built a live bus tracking web app for the college shuttle with a driver app that shares GPS location
- Used by 300 students daily; cut average waiting time from 14 to 6 minutes

Notes Summariser | Python, LLM APIs, FastAPI

- Worked on a tool that turns lecture PDFs into short revision notes using an LLM API
- Created a small evaluation set of 40 questions to compare prompt versions

EXPERIENCE

Web Development Intern, Koyna Softworks (Jun 2025 - Aug 2025)

- Built 6 REST API endpoints in Node.js for an inventory dashboard
- Wrote unit tests that raised coverage from 40% to 72%
